*The Book of the Damned* Charles Fort,2020-09-28 Time travel UFOs mysterious planets stigmata rock throwing poltergeists huge footprints bizarre rains of fish and frogs nearly a century after Charles Fort s Book of the Damned was originally published the strange phenomenon presented in this book remains largely unexplained by modern science Through painstaking research and a witty sarcastic style Fort captures the imagination while exposing the flaws of popular scientific explanations Virtually all of his material was compiled and documented from reports published in reputable journals newspapers and periodicals because he was an avid collector Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from

around the globe This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular If you agree that truth is often stranger than fiction then this book is for you Taken from Good Reads website     Dictionary of Deities and Demons in the Bible Karel van der Toorn,Bob Becking,Pieter Willem van der Horst,1999 The Dictionary of Deities and Demons in the Bible DDD is the single major reference work on the gods angels demons spirits and semidivine heroes whose names occur in the biblical books Book jacket     The Infernal Dictionary Colin de Plancy,2019-06-27 The classic illustrations of Demons Published in 1818 1863 the original Dictionnaire Infernal remains the ultimate source for images of the most famous demons of demonology Written by Jacques Auguste Simon Collin de Plancy and illustrated by Louis Le Breton this classic work was printed in 6 editions with the final edition of 1863 containing the famous demon images The text and images of the spirits from the 1863 edition are presented here in this Infernal Dictionary A must have for the library of any serious student of the Black arts and witchcraft     **Dictionary of Demons** Fred Gettings,1988     **The Devil's Dictionary** Ambrose Bierce,2021-03-16T22:46:04Z Dictionary n A malevolent literary device for cramping the growth of a language and making it hard and inelastic This dictionary however is a most useful work Bierce s groundbreaking Devil s Dictionary had a complex publication history Started in the mid 1800s as an irregular column in Californian newspapers under various titles he gradually refined the new at the time idea of an irreverent set of glossary like definitions The final name as we see it titled in this work did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp There were no publications of the complete glossary in the 1800s Not until 1906 did a portion of Bierce s collection get published by Doubleday under the name The Cynic s Word Book the publisher not wanting to use the word Devil in the title to the great disappointment of the author The 1906 word book only went from A to L however and the remainder was never released under the compromised title In 1911 the Devil s Dictionary as we know it was published in complete form as part of Bierce s collected works volume 7 of 12 including the remainder of the definitions from M to Z It has been republished a number of times including more recent efforts where older definitions from his columns that never made it into the original book were included Due to the complex nature of copyright some of those found definitions have unclear public domain status and were not included This edition of the book includes however a set of definitions attributed to his one and only Demon s Dictionary column including Bierce s classic definition of A the first letter in every properly constructed alphabet Bierce enjoyed quoting his pseudonyms in his work Most of the poetry dramatic scenes and stories in this book attributed to others were self authored and do not exist outside of this work This includes the prolific Father Gassalasca Jape whom he thanks in the preface jape of course having the definition a practical joke This book is a product of its time and must be approached as such Many of the definitions hold up well today but some might be considered less palatable by modern readers Regardless the book s humorous style is a valuable snapshot of American culture from past centuries This book is part of the Standard Ebooks project which produces free public domain ebooks     **God's Demon**
